

To,

All Prospective Bidders (by e-mail and through web-site)

**Sub: Tender for Design, Manufacture, Supply, Testing, Commissioning and Guaranteeing the performance of Terminal Tractors Trailers.**

**Clarifications received by emails, including amendments to the Tender clauses – reg.**

**Ref: Tender No. IPGL/ TTT / 2022.**

Sir,

1. With reference to the subject tender, please find attached herewith bid clarifications /amendments. These clarifications and amendments will also be available on the web-sites <http://www.ipgl.co.in/>; <https://sdclinidia.com> and [www.ipa.nic.in](http://www.ipa.nic.in).

2. As per clause 2.9 (Volume-I) of the Tender, these clarifications/ amendments so issued, shall form part of the Tender document and remain binding on the Tenderers, same shall be accepted and submitted by all the Tenderers along with the offer. Hence, you are requested to submit a copy of all Pre-Bid clarifications / amendments duly signed and stamped along with Original copy of the Tender documents. Tender received without copy of Pre-Bid Clarifications / amendments duly signed and stamped by the authorized signatory on each page, shall not be considered for evaluation. Rest of the Contents, Other Clauses, Annexure, Schedule, of the Tender remain unchanged.

3. Extension of due date and Time for Bid submission: It is informed that the due date and time for submission of offers under this tender has been extended up-to **15:00 Hrs. on 19<sup>th</sup> May 2023**. The Technical bids of the offers so received by this date and time will be opened at **15:30 Hrs. on the same day i.e.19<sup>th</sup> May 2023**. **The venues of the submission of the offers remain unchanged.**

Kindly acknowledge the receipt of this communication.

Yours faithfully,

  
Manager(O&S)

**Following clarifications are given for further clarity to the tender specifications i.e. Volume – I of RFP for Terminal Tractor Trailers.**

**Bid Queries for Tender documents**

Sr. No.	Volume-I & II Clause No.	Page No.	Tenders Specification Requirements	Queries	Clarification From IPGL
<b>Commercial</b>					
1	Volume I Clause no 2.1.1	5	<p>b. Experience: The tenderer should be in the business of designing, manufacturing, Supplying and Commissioning of TERMINAL TRACTORS and / or TRAILERS, at least for the last seven (07) years. Note: During last seven years means during last seven years ending last day of the month previous to the one in which the tender is published/uploaded on website.</p>	<p>Experience: Tenderer should be in the business of designing, manufacturing, Supplying and Commissioning of TERMINAL TRACTORS and / or TRAILERS, at least for the last three (03) years</p>	Tender conditions prevails.
2	Volume I Clause no 2.1.1	5	<p>c. Capacity and Capability: 1. For Terminal Tractors: The tenderer should have supplied at least 42 of Terminal Tractors during the last seven (07) years. 2. For Terminal Trailers: The tenderer should have supplied at least 44 Terminal Trailers (34 Bomb Cart Skeletal Type and 10 Flatbed Type) during the last seven (07) years.</p>	<p>Capacity and Capability: Tender should have manufactured and supplied at least 10 Nos. Terminal Tractors and Trailers or similar tractors and trailers in the last three (03) years.</p>	Tender conditions prevails.
3	Volume I Clause no 2.1.1	5	<p>d. Satisfactory Performance: At least 10 (Ten) Terminal Tractors and / or Trailers supplied in the last seven (07) years must have completed warranty period satisfactorily. Note: During last seven years means during last seven years ending last day of the month previous to the one in which the tender is published / uploaded on website.</p>	<p>Satisfactory Performance: Tender should have manufactured and supplied at least 10 Nos. Terminal Tractors and Trailers or similar tractors and trailers in the last three (03) years and must have completed warranty period satisfactorily.</p>	Tender conditions prevails.

4	Volume I Clause no 2.1.1	5	e. Recent Business Activities: The tenderer should have supplied or is in the process of manufacturing at least Ten (10) Terminal Tractors and / or Trailers during the last two (02) years.	Recent Business Activities: Tender should have manufactured and supplied at least 10 Nos. Terminal Tractors and Trailers or similar tractors and trailers in last three (03) years.	Tender conditions prevails.
5	Volume I Clause no 2.7.4	9	In case of submission of tender in Joint Venture (JV), the following conditions shall be complied by the tenderer: <ul style="list-style-type: none"> <li>• JV being registered in India for at least 7 years for supply of equipment.</li> <li>• The JV in India demonstrating their active involvement in the business activity over the last two financial or calendar years preceding the tender.</li> <li>• The JV agreement being documented and subject to scrutiny/assessment by IPGL.</li> <li>• The term of JV being at least equal to the warranty period completion of the equipment/work being tendered.</li> <li>• The JV Agreement providing for technical support including but not limited to the supply of spares during the economical lifetime of the equipment being tendered.</li> <li>• The experience of each JV partner would be considered on par with other Original Equipment Manufacturer subject to the collective experience of partners meeting the standards established in capacity and capability criteria indicated in MEC.</li> </ul>	Bidders can participate either as a Single bidder or as a consortium. As part of contract, the bidder or the Lead Member of the Consortium should meet the meet the following requirements: <ul style="list-style-type: none"> <li>i. Either bidder / the bidder collectively shall fulfils the MEC in order to bid as the consortium</li> <li>ii. bidder collectively must have experience in similar activities</li> </ul> <p>In-case the Applicant is participating as a Consortium, all the members of the Consortium shall be parties to the "Agreement", which Indian Ports Global Limited shall enter with the Selected Consortium.</p>	Consortium shall provide agreement with OEM, the agreement and OEM can not be Changed after submission of RFP documents.
6	Volume I Clause no 2.8	10	In case, the Tenderer is an Original Equipment Manufacturer (OEM) who in turn intends to execute the order through their Authorised Dealer or Business Partner, such nominated firm must fulfil all the minimum qualifying criteria as stipulated in Clause No. 2.1.1 of this tender document to get qualified for further evaluation. The authorised dealer to demonstrate their relationship with OEM and to also give a confirmation from OEM regarding providing all related services (warranty, spare parts, training etc). The OEM and his authorised dealer / distributor	In case, the Tenderer is an Original Equipment Manufacturer (OEM) who in turn intends to execute the order through their Authorised Dealer or Business Partner, the OEM's Minimum Qualifying Criteria qualification shall be considered to get qualified for further evaluation. The authorised dealer to demonstrate their relationship with OEM and to also give a confirmation from OEM regarding providing all related services (warranty, spare parts, training etc). The OEM and his authorised dealer / distributor / Licensee cannot participate simultaneously in this tender. In case, OEM and his authorised distributor / dealer / Licensee	In case, the Tenderer is an Original Equipment Manufacturer (OEM) who in turn intends to execute the order through their Authorised Dealer or Business Partner, such nominated firm must fulfil all the minimum qualifying criteria as stipulated in Clause No. 2.1.1 of this tender document to get qualified for further evaluation. 11	Volume II Clause no 6	111	Torque Converter with Automatic shift transmission (Torque Flow Transmission).	Trailer Tractor with any automatic shift transmission (such as Robotic).	Trailer Tractor with any automatic shift transmission (such as Robotic) is accepted.

## Annex 1

### **3.61 FRAUD AND CORRUPT PRACTICES**

3.61.1 The bidder and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Selection Process. Notwithstanding anything to the contrary contained in this RFP, the IPGL shall reject a Proposal without being liable in any manner whatsoever to the bidder, if it determines that the bidder has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice (collectively the "Prohibited Practices") in the Selection Process. In such an event, the IPGL shall, without prejudice to its any other rights or remedies, forfeit and appropriate the Bid Security or Performance Security, as the case may be, as mutually agreed genuine pre-estimated compensation and damages payable to the IPGL for, inter alia, time, cost and effort of the IPGL, in regard to the RFP, including consideration and evaluation of such bidder's Proposal.

3.61.2 Without prejudice to the rights of the IPGL under Clause 1.1 hereinabove and the rights and remedies which the IPGL may have under the LOA or the Agreement, if a bidder, is found by the IPGL to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Selection Process, or after the issue of the LOA or the execution of the Agreement, such bidder shall not be eligible to participate in any tender or RFP issued by the IPGL during a period of 2 (two) years from the date such bidder, is found by the IPGL to have directly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.

3.61.3 For the purposes of this Section, the following terms shall have the meaning hereinafter respectively assigned to them: a) "corrupt practice" means (i) the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of any person connected with the Selection Process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of the IPGL who is or has been associated in any manner, directly or indirectly with the Selection Process or the LOA or has dealt with matters concerning the Agreement or arising therefrom, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the IPGL, shall be deemed to constitute influencing the actions of a person connected with the Selection Process); or (ii) save as provided herein, engaging in any manner whatsoever, whether during the Selection Process or after the issue of the LOA or after the execution of the Agreement, as the case may be, any person in respect of any matter relating to the Project or the LOA or the Agreement, who at any time has been or is a legal, financial or technical consultant/ adviser of the IPGL in relation to any matter concerning the Project; b) "fraudulent practice" means a misrepresentation or omission of facts or disclosure of incomplete facts, in order to influence the Selection Process; c) "coercive practice" means impairing or harming or threatening to impair or harm, directly or indirectly, any persons or property to influence any person's participation or action in the Selection Process; d) "undesirable practice" means (i) establishing contact with any person connected with or employed or engaged by the IPGL with the objective of canvassing, lobbying or in any manner

influencing or attempting to influence the Selection Process; or (ii) having a Conflict of Interest; and 23 e) "restrictive practice" means forming a cartel or arriving at any understanding or arrangement among bidders with the objective of restricting or manipulating a full and fair competition in the Selection Process.
