If the work is hindered due to force majeure such as, war, riots, civil commotion, fire, epidemics, natural calamities, etc. such period shall be exempted from penalty as mentioned in clause 3.15 of this tender document. (Any change in applicable international laws leading to undesired impact in execution of Contract obligation shall be covered under force majeure.) In case the duration of the Force Majeure is more than three hundred and sixty-five (365) days, the contract may be terminated upon the request of each party.

3.21 LABOUR LAWS:

The Agency shall comply with all the provisions of the Labour Laws and the rules and regulations made there under as amended from time to time and as applicable from time to time with respect to country.

3.22 OUTBREAK OF WAR:

If during the currency of the Contract, there shall be an outbreak of war (whether war is declared or not) in any part of the world which, whether financially or otherwise, materially affects the execution of the Works the Agency shall, unless and until the Contract is terminated under the provision in this clause contained, use his best endeavours to complete the execution of the Works, provided always that either the Employer or the Agency shall be entitled, at any time after such outbreak of war, to terminate this Contract by giving notice in writing to the other ,and upon such notice being given this Contract shall terminate, but without prejudice to the rights of either party in respect of any antecedent breach.

3.23 DEFAULT OF THE EMPLOYER:

In the event of the Employer:

- 1 Failing to pay Agency the amount due under Contract as per stipulated condition or
- 2 Interfering with or obstructing the written approval in this Contract, the Agency shall be entitled without prejudice to any other rights or remedies to terminate his employment under the Contract by giving 90 (Ninety) days prior notice in writing to Employer.

3.24 CONFIDENTIAL INFORMATION:

Both parties undertake to each other to keep confidential all information (written as well as oral) concerning the business and affairs of the other, which has been obtained or received as a result of the discussion leading up to or the entering of the contract. After the entering of the contract Employer and the Agency shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Employer shall not use such documents, data, and other information received from the Agency for any purposes unrelated to the Contract. Similarly, the Agency shall not use such documents, data, and other information received from Employer for any purpose other than the design, procurement, or other work and services required for the performance of the Contract. The obligation of a party, shall not apply to information that:

- 1 Employers or Agency need to share with the institutions participating in the financing of the Contract;
 - 2 Now or hereafter enters the public domain through no fault of that party;
 - 3 Can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or
 - 4 Otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality
- The above provisions of GCC shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof. Each of the parties to this contract, undertakes to the other to take all such steps as shall from time to time be necessary to ensure compliance with the provisions of the above clauses by its employees. All services provided to Employer by bidder are subject to Country public disclosure laws such as RTI etc. The Agency shall not make or permit to be made public announcement or media release about any aspect of this Contract unless Employer first gives the Agency its written consent.

3.25 REVIEW OF PERFORMANCE:

A designated team / person from Employer may review the performance of Agency against the Agency at any time. The review / audit report will form basis of any action relating to imposing penalty or breach of contract of the Agency.

3.26 ADHERENCETO PROCEDURES, RULES, REGULATIONS AND RESTRICTION:

Agency shall comply with the provision of all laws including labour laws, rules, regulations and notifications issued there under from time to time. All safety and labour laws enforced by statutory agencies and by Employer shall be applicable in the performance of this Contract and Agency's Team shall abide by these laws. Agency's Team shall adhere to all security requirement / regulations during the execution of the work. The Agency shall report as soon as possible any evidence, which may indicate or is likely to lead to an abnormal or dangerous situation and shall take all necessary emergency control steps to avoid such abnormal situations. Employer will be indemnified for all the situations mentioned in this clause in the similar way as defined in GCC.

3.27 NON - SOLICITATION OF STAFF:

For the purpose of this contract, both parties to this contract agree, not to solicit either directly or indirectly with a view to provide or offer employment to, offer to contract with or entice a staff member of the other party to leave without the consent of the other during the term of this contract and for an additional period of 180 days after termination.

3.28 INTELLECTUAL PROPERTY:

Employer shall own and have a right in perpetuity to use all newly created Intellectual Property Rights which have been developed solely during execution of this Contract, including but not limited to all Source code, Object code, records, reports, designs, application configurations, data and written material, products, specifications, reports, drawings and other documents which have been newly created and developed by the Agency solely during the performance of Services and for the purposes of inter-alia use or sub-license of such Services under this Contract.

3.29 SURVIVAL:

The clauses of this contract, which by nature are intended to survive termination of this contract, shall remain in effect after such termination.

3.30 CONFLICT OF INTEREST:

The Agency warrants that, to the best of its knowledge, information and belief, at the date of submitting its Proposal, no conflict of interest exists or is likely to arise in the performance of its obligations under the Contract. If during the currency of the Contract, a

conflict or risk of conflict of interest arises (without limitation, because of work undertaken for any person other than the Employer) the Agency undertakes to notify the In-Charge immediately in writing, of that conflict of interest. The Agency shall take all reasonable measures to ensure that its employees do not, during the currency of the Contract, engage in any activity or obtain any interest which is in conflict with providing the services to the Employer fairly and independently. Any such activity must be disclosed in writing to the In - Charge immediately. Where the In - Charge receives a notice of conflict of interest, the Employer may proceed to terminate the Contract. The Agency shall not receive any remuneration in connection with the assignment except as provided in the contract. The Agency and its affiliates shall not engage in consulting activities that conflict with the interest of the Employer under the contract. It should be the requirement of the contract that the Agency should provide professional, objective and impartial advice and at all times hold the Employer interest's paramount, without any consideration for future work, and that in providing advice they avoid conflicts with other assignments and their own corporate interests. Agency shall not be hired for any assignment that would be in conflict with their prior or current obligations to other Employers, or that may place them in a position of being unable to carry out the assignment in the best interest of the Employer.

3.31 CONFLICT AMONG ASSIGNMENTS:

Neither Agency (including their personnel) nor any of their affiliates shall be hired for any assignment that, by its nature, may be in conflict with another assignment of the Agency.

3.32 PROFESSIONAL LIABILITY:

The Agency is expected to carry out its assignment with due diligence and in accordance with prevailing standards of the profession. As the Agency's liability to the employer will be governed by the applicable law, the contract need not deal with this matter unless the parties wish to limit this liability. If they do so, they should ensure that (a) there must be no such limitation in case of the Agency's gross negligence or wilful misconduct; (b) the Agency's liability to the Employer may in no case be limited to less than the total payments expected to be made under the Agency's contract, and (c) any such limitation may deal only with the Agency's liability toward the employer and not with the Agency's liability toward third parties. Notwithstanding anything contained herein to the contrary, the maximum aggregate liability of the Agency including towards the third parties, for any and all liabilities of the contract, shall be limited to a sum equivalent to the amount of fees payable by the Employer to the Agency.

Agency will not be liable for any loss of profit, loss of contract, loss of use or any indirect or consequential loss, damage or expense sustained by the employer, or any other person caused by any act, omission or error of the Agency.

3.33 STAFF APPOINTMENT / SUBSTITUTION:

Agency shall ensure to appoint its personnel from the names of Key Staff proposed in techno - commercial proposal, as per the requirement of different offices in consultation with In - Charge of the Employer. In the event, the required Key Staff is not appointed, the Employer shall notify Agency on the failure of the Agency to make necessary appointments and Agency shall appoint such Staff / personnel within one month of such notice. During an assignment, if substitution is necessary (because of ill health or because a staff member proves to be unsuitable, or the Staff member is no longer working with the Agency, the Agency shall propose other staff of at least the same level of qualifications for approval by the Employer. Such appointment / substitution shall be made within a month's time failing which the Employer shall either hold up the payment or seek other remedies under the contract.

3.34 CESSATION OF RESPONSIBILITY:

All responsibilities of Agency under this contract shall be deemed to have been discharged upon completion of documentation (as per scope of work) part within this contract. Employer responsibilities shall be deemed to have been satisfied on acceptance of Agency's services and payments by Employer to Agency of all amounts due and payable under the contract.

3.35 CHANGES AND ADDITIONS IN AGENCY'S SCOPE OF WORKS:

Employer shall have the right to request Agency in writing to make any changes, modifications, deletions and / or additions to Agency's scope of works. Agency shall review such written requests and if such changes and additions would jeopardize fulfilment of any of Agency's obligations under this contract, Agency will not be obliged to make such changes or withhold any part of the works pursuant to such changes and / or additions contemplated by Employer. Otherwise, Agency will work out the estimate of price and time adjustment on account of such changes, modifications, deletion and / or additions sought by Employer and the same shall be mutually agreed. Unless Agency receives written authority from Employer on variation in prices and time schedule, Agency will not be obliged to proceed with any such variation in the scope of works.

3.36 NOTICES:

All notices and other communications under this contract must be in writing and must either be mailed by registered mail with acknowledgement due or hand delivered with proof of it having been received. If mailed, all notices will be considered as delivered after 7 days, of the notice having been mailed. If hand delivered, all notices will be considered, when received by the party to whom the notice is meant and sent for. All notices under this contract shall be sent to or delivered at the address as specified by the parties. A Notice shall be effective when delivered or on the Notice's effective date, whichever is later.

Volume II:

Scope of Work

Assessment of Trade Opportunities from Central Asia and Russia: - Study on Connectivity of Indian Markets and return cargo via Shahid Beheshti Port of Chabahar.

1. Introduction: -

This study intends to highlight the importance of Shahid Beheshti Port – Chabahar and provides overview and opportunities available to all relevant stakeholders associated with importance of developing trade via Shahid Beheshti Port.

Establishing an international transit corridor from Shahid Beheshti Port – Chabahar to Turkmenistan, Uzbekistan, Tajikistan, Kyrgyzstan and Kazakhstan would provide India a greater prospect for enlarging both operational and practical scope of Chabahar to become a vital gateway and the shortest route to central Asia.

INSTC is a multi-modal transportation route linking India Ocean and Persian Gulf to the Caspian Sea via Iran, and onward to northern Europe via St. Petersburg in Russia. The INSTC envisages movement of goods from Mumbai (India) to Shahid Beheshti Port – Chabahar (Iran) by sea, from Chabahar to Bandar-e- Anzali (an Iranian port on the Caspian Sea) by road, and then from Bandar-e- Anzali to Astrakhan (a Caspian port in the Russian Federation) by ship across the Caspian Sea, and thereafter from Astrakhan to other regions of the Russian Federation and further into Europe by Russian railways.

Successful activation of the corridor will help connect India to Russia and Central Asian countries.

Part A: This part in specific, intends to present the following –

- Potential role of Shahid Beheshti Port, Chabahar, in serving the land locked Central Asian countries, CIS region and Russia.
- In order to organize goods transport along the International ‘North–South’ transport corridor; the “promotion of access to the international market through rail, road, and sea and “ensuring security of travel and safety of goods” and “harmonization of transport policies.

Part B: Corridor alignment- Transit corridor to Central Asia to be proposed with different route.

The Chabahar-Iranshahr-Zahedan-Mashhad corridor is the ideal route to connect to Turkmenistan through Sarakhs border.

Route 1 – Mumbai – Chabahar (Iran) – Turkmenistan, Uzbekistan, Tajikistan, Kyrgyzstan and Kazakhstan.

Route 2 – Mumbai – Chabahar (Iran)- Amirabad-Aqtau- Uzbekistan Tajikistan, Kyrgyzstan and Kazakhstan.

Route 3 – Mumbai – Chabahar- Baku (Azerbaijan) – Russia.

Route 4 – Mumbai – Chabahar- Amirabad/ Anzali (IRAN) Caspian Sea– Astrakhan or if any other viable route to be proposed.

2. Activity Structure
